SUMMARY

Pursuing a Bachelor of Technology in Computer Science (AI & ML) at Marri Laxman Reddy Institute of Technology and Management. Strong foundation in core Computer Science subjects with hands-on experience in JavaScript-based web applications. Currently learning full-stack development using React, Node.js, Express.js, and MongoDB to build scalable and secure web applications.

PROJECTS

GatherSphere

A full-stack event management platform being developed to simplify event creation, discovery, and registration. Built using React and Tailwind CSS, while actively developing backend functionality with Node.js, Express.js, and MongoDB. Designed to provide a centralized experience for managing events, participant registrations, and event-related interactions.

GitPeek

[Live Link](#)

A GitHub profile insights web application that consumes the GitHub REST API to fetch and display real-time user statistics including repositories, followers, and contributions. Implemented asynchronous API handling, data parsing, and dynamic UI rendering using JavaScript, focusing on clean data presentation and error handling.

PwdHub

[Live Link](#)

A personal password manager web application with a clean, responsive UI and dark theme. Built using HTML, CSS, and JavaScript with emphasis on structured layout and usability. Designed frontend architecture with planned backend integration for secure storage, authentication, and encryption.

EDUCATION

2023 – Present	Bachelor of Technology (B.Tech) Marri Laxman Reddy Institute of Technology and Management, Hyderabad (GPA: 7.63/10)
2023	Class 12 – Sri Chaitanya Institutions (88.3%)
2021	Class 10 – Sri Chaitanya Institutions (10.0 CGPA)

SKILLS

- **Programming Languages:** C, Java, Python, JavaScript
- **Frontend:** HTML, CSS, JavaScript, React, Tailwind CSS
- **Backend (Learning):** Node.js, Express.js, REST APIs, Authentication
- **Databases:** MongoDB
- **Tools:** Git, GitHub, Postman, Vercel
- **Core Subjects:** Operating Systems (OS), Database Management Systems (DBMS)

CERTIFICATIONS

- **Google AI Essentials** — Coursera [Certificate Link](#)
